Alabama, Alabaster, Sep 10, 2021 ([Issuewire.com](https://www.issuewire.com)) - American Airlines Customer Service +1 818 483 4990 - Phone Number If you have an impending American Airlines flight and need to locate your reservation, use the advice provided below.

Since its inception in 1998, the firm has grown to become the sixth-largest airline operator in the American States in terms of passenger traffic. The airline flies to over 100 locations in the American States and across the world. If you have an impending American Airlines flight and need to locate your reservation, follow the procedures indicated below.

Examine Your Email

If you booked a ticket online or over the phone, you should have gotten an email with the flight information. Search for “American Airlines” to check all of your inboxes.

You Can Find Your Reservation Online

Call American Airlines Customer Service for assistance.

If you are unable to locate your reservation confirmation number, you must contact American Airlines for assistance. You can contact American Airline’s customer service staff. Please keep in mind that you will be required to submit certain personal and contact information in order to validate your identity. Request that the agent email you a copy of your reservation details.

Send an email to American Airlines Customer Service.

If you prefer not to talk with someone on the phone, you may contact American Airline's customer care staff by email.

Unfortunately, because you are requesting confidential information through email, they may refuse to give you the reservation details if your email address does not match what they have on file. Furthermore, receiving a response through email may take several days, so this method should not be utilized if you are in a hurry.

Make contact with your third-party booking vendor.

If you did not book directly with American Airlines, you should contact the travel provider you used for a copy of your reservation.
