Today at the occasion of the 51st anniversary of the Osho Neo Sannyas Movement, the followers of

Acharya Rajneesh and Lord Osho have placed several issues in front of Union Minister of State Ramdas Athavale. Various topics ranging from malpractices taking place in the Osho Ashram as well as financial scams were highlighted in front of Ramdas Athavale to draw his attention to the fact that crores of rupees of revenue to the state and central government are being squandered by Osho Ashram and have been used by international/foreign business profiles.

“Our party has always provided a voice to the voiceless and today also I’m here to be a voice of all the Osho followers. Our party truly believes that there is a need to get the things in place through which the Osho community could be benefited. We are here to eradicate the malpractices which the international and foreign counterparts are doing and with that, I assure the Osho followers that we will request the government of India to probe by having proper ED inquiry.”, said Shri Ramdas Athavale, Union Minister of State for Social Justice and Empowerment.

“The Osho devotees are suffering due to the misconduct being carried out in the ashram. Osho’s followers are being banned from entering the ashram, while the Ashram management is stealing crores of revenue and sending money abroad. I request the government of India to conduct a fast-track inquiry into the sale of land and open the Osho Ashram to devotees free of cost. The scam is such that an ED committee must be set up to scrutinize and appropriate action must be taken, as this misdeed is damaging Osho’s legacy and hurting the religious sentiments of his followers”.
