

Aaron Carter's First-Ever NFT Drop iMe Collection

Texas, Houston, Sep 5, 2021 ([Issuewire.com](https://www.issuewire.com)) - We are excited to announce that world-renowned singer Aaron Carter is launching his first-ever NFT drop iMe collection on September 6th 2021, in partnership with [inspireMe](https://inspireme.io) on opensea.io.

These NFTs will feature Aaron's exclusive never-before-heard 8 instrumental tracks inspired by NFT space and exclusive photographs with amazing video effects. Aaron is a world-renowned American rapper, singer, songwriter, actor, dancer, and record producer. He began performing at age seven as the lead singer of Dead End. His album [Aaron's Party \(Come Get It\)](#) sold three million copies and was certified 3x platinum. His albums [Aaron Carter](#) and [Oh Aaron](#) went platinum. His albums Love and Another Earthquake! also have been big hits.

You can sign up to be notified of the drop at [inspireMe.live/AaronCarter](https://inspireme.live/AaronCarter)

This iMe collection featuring Aaron's never-before-heard 8 instrumental tracks inspired by NFT space is made up of exclusive 64 1/1 NFTs for auction and dedicated to his most die-hard fans and collectors.

The NFT auction will open at 6.00pm PDT on September 6th 2021. The auction will run for 3 days and end at 5.59pm PDT on September 9th 2021.

Aaron chose inspireMe as a partner for this drop because inspireMe offers an NFT launchpad for exclusive collectibles.
