

Ana T. Saucedo, MD, a Dermatologist with Alamo City Dermatology

Get to know Dermatologist Ana T. Saucedo, who serves patients in Texas.

New York, New York City, Sep 9, 2021 ([Issuewire.com](https://www.issuewire.com)) - A dual-certified, top-rated dermatologist, Dr. Saucedo is the Medical Director of Alamo City Dermatology.

Serving all ages, she is committed to providing each patient with individualized care for both acute and chronic skin conditions, ensuring each treatment program evolves as needed to suit the patient's changing needs.

Alamo City Dermatology is a state-of-the-art dermatology practice providing the highest quality care for patients in San Antonio, Texas, and surrounding counties. It offers cutting-edge care and treatment for chronic skin conditions including acne treatment, eczema treatment, and psoriasis treatment, as well as rejuvenation and restoration treatments like microdermabrasion, chemical peels and BOTOX®, and medical dermatology care including skin cancer screening and removal of moles, warts, rashes, and

cysts.

Among her other roles, she can be found on staff at Methodist Hospital – San Antonio and Christus Santa Rosa Medical Center.

After completing her undergraduate studies at The University of Texas at San Antonio, Dr. Saucedo completed her medical degree at The University of Texas Medical School in San Antonio. She then pursued an internship and residency in internal medicine at University Hospital in San Antonio.

As a testament to her continued education, she is board-certified in dermatology by the American Board of Dermatology (ABD). The ABD is a voluntary, non-profit, private, autonomous organization formed for the primary purpose of protecting the public interest by establishing and maintaining high standards of training, education, and qualifications of physicians rendering care in dermatology.

Moreover, she is board-certified in internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

For several years, Dr. Saucedo has held the position of secretary for the Kendall County Medical Society. She is also a proud member of the American College of Surgeons, the Texas Dermatological Society, the Texas Medical Association, and the American College of Physicians.

Maintaining fellowship status, she is a Fellow of the American Academy of Dermatology and a Fellow of the American Society for Dermatologic Surgery.

Dermatology is the branch of medicine dealing with the skin, the largest organ of the body; a specialty with both medical and surgical aspects. A dermatologist is a specialist doctor who manages skin diseases and deals with both internal and external causes and some cosmetic concerns involving the skin. Dermatological duties include taking consultations, providing screening tests, and undertaking non-invasive surgical procedures.

Recognized by her peers as the best in the field as well as recognized for her commitment to her community, Dr. Saucedo has been the recipient of the Exceptional Women in Medicine Award in 2020, San Antonio Magazine Top Doctor in 2020, Patients' Choice Award (2018), and Compassionate Doctor Recognition (2018, 2016, 2015). She has also been published in Texas Monthly in 2015.

On a more personal note, she is fluent in both English and Spanish.
