

Angelo E. Gousse, MD, a Urologist with Bladder Health & Reconstructive Urology Institute

Get to know Urologist Dr. Angelo E. Gousse, who serves patients in Florida.

New York, New York City, Sep 17, 2021 ([Issuewire.com](https://www.issuewire.com)) - Dr. Gousse is a premier bladder health physician and a nationally renowned reconstructive urologist in Miramar, Aventura, and West Palm Beach, Florida. As the Founder of Bladder Health & Reconstructive Urology Institute, he has dedicated himself to the highest levels of patient care and medical expertise possible.

Having been in practice for more than 25 years, he provides a range of medical services, including artificial urinary sphincter implants, penile prosthesis implants, urethral reconstruction, overactive bladder treatment, pelvic organ prolapse repairs, urinary tract reconstruction, enlarged prostate treatment, and stress urinary incontinence treatment.

Specializing in both male and female voiding dysfunction and reconstruction, Dr. Gousse has been a

pioneer in the development of third-line treatments of overactive bladder. He was the first to perform Axonics Sacral Nerve Modulation in South Florida for the treatment of overactive bladder. He pioneered the usage of Botox (Botulinum Toxin A) in the treatment of overactive bladder and neurogenic bladder. The clinical trials he led as principal investigator resulted in numerous scientific publications and contributed to the first FDA approval of Botox for urologic use in August of 2011.

In his local area, Dr. Gousse is the Director of Female Pelvic Medicine and Reconstructive Urology at Memorial Hospital Miramar and is affiliated with Aventura Hospital & Medical Center.

Alongside his clinical role, he is a Clinical Professor of Surgery within the Department of Urology at Herbert Wertheim College of Medicine, and a Voluntary Professor of Urology at the University of Miami Miller School of Medicine.

Prior to his voluntary work, he served as tenured faculty at the University of Miami Miller School of Medicine.

Pertaining to his educational pursuits, Dr. Gousse earned his Bachelor of Science degree from York College, the City University of New York in Queens, New York, where he graduated as valedictorian of his class. He then attended Yale School of Medicine in New Haven, Connecticut, where he earned his medical degree and graduated cum laude, the highest honors awarded at Yale. He went on to complete his residency at Baylor College of Medicine in Houston, and a postdoctoral fellowship in urodynamics, female urology, and pelvic floor reconstruction at the University of California, Los Angeles.

Upon completion of his studies, Dr. Gousse established his practice in Miramar and began contributing to research within the field of urology. He has been published more than 70 times in leading urology research journals and serves as an editor on multiple journals.

Passionate about his profession, he is a Diplomate of the American Board of Urology (ABU). The mission of the ABU is to act for the benefit of the public by establishing and maintaining standards of certification for urologists, and working with certified urologists to achieve lifelong learning to ensure the delivery of high quality, safe, and ethical urologic care.

On a professional level, Dr. Gousse is the Co-Founder and President of Haitian American Leadership Organization (HALO) and is an active member of the Society of Urodynamics and Female Urology, the Society of Genito-Urinary Surgeons, and the AUA Female Urology Core Curriculum Committee.

Urology, also known as genitourinary surgery, is the branch of medicine that focuses on surgical and medical diseases of the male and female urinary tract system and the male reproductive organs. Urologists specialize in diseases of the urinary tract and the male reproductive system. Patients may be referred to a urologist if their physician suspects they may need treatment for a condition relating to the bladder, prostate, urethra, ureters, kidneys, and adrenal glands.

Among his various accolades, Dr. Gousse has been the recipient of the Best Doctors in America Award (2005-2020), America's Top Urologists by Consumers Research Council of America (2008), Stratmore's Who's Who Award (2001-present), Urology Teacher of the Year Award by The University of Miami Miller Medical School, Pfizer Scholars in Urology Award, The Cullen Research Award by the Scott Department of Urology, Baylor College of Medicine, Dr. Jonas Salk Scholar Award, Patients' Choice Award (2018, 2017, 2016, 2015, 2013, 2012, 2011, 2010), Compassionate Doctor Recognition (2018, 2017, 2016, 2015, 2013, 2012, 2011), On-Time Doctor Award (2018), Patients' Choice 5th Anniversary Award (2020), and Compassionate Doctor Award - 5 Year Honoree (2020).

On a more personal note, he takes an active role in the health of his community locally and abroad through guest spots on Island TV, hosting the radio show “Urologic Consultation in Creole,” and lecturing throughout the United States, Brazil, Puerto Rico, and France. He is fluent in English, Spanish, and Creole.
