

Apple ISports Inc (USA) Launching a Full Scale Fantasy Sports Website

Victoria, Melbourne, Sep 16, 2021 ([IssueWire.com](https://www.issuewire.com)) - Apple ISports Inc (USA) Launching a Full-Scale Fantasy Sports Website

Apple ISports Inc (USA) is in the final process of launching a full-scale Fantasy Sports website. Global players will be able to log on through www.appleisports.com and compete to play in a range of popular sports.

World Series championship competitions will be played for cash prizes for 1st to 10th place winners said Director Marino Sussich. In addition, bonus prizes comprising Apple devices such as iPhones, iPads, Apple Mac laptops will be given away.

Fantasy Sports is one of the fastest-growing interactive online sports activities in the world and can be played 24/7 in most Countries. South Korea, Japan, the USA, and Australia are amongst the highest users per head of population.

Marino Sussich advised that the website is scheduled to be launched in November 2021.
