

Asset Infinity Named Top Software Management Tool of 2021 by Digital.com

The platform was ranked among the most efficient solutions for tracking the usage and locations of tools or equipment.

Uttar Pradesh, Noida, Sep 27, 2021 ([IssueWire.com](https://www.issuewire.com)) - [Digital.com](https://www.digital.com), a leading independent review website for small business online tools, products, and services, has announced Asset Infinity among the best software management tools of 2021. Research experts rated the top platforms based on three essential criteria.

Asset Infinity and other solutions on the final list provide features that make asset management and tracking simple by capturing a tool's usage and physical location. It was also mandatory that each program offer comprehensive reports and analytics to help users make the right decisions and minimize business losses. The study examined companies that allow users to test the software before purchase through free trials or demos.

Digital.com's research team conducted a 40-hour assessment of over 65 solutions. To access the complete list of best software management tools, please visit <https://digital.com/best-tool-management-software/>.
