

Back to School with Up to 50% Discount on Leawo UHD Copy for 4K Blu-ray Movie Backup

Leawo Software just launched its 2021 Back2School online sales with up to 50% discount on Leawo UHD Copy, to help students and teachers back up their 4K UHD movies.

Guangdong, Shenzhen, Sep 8, 2021 ([Issuewire.com](https://www.issuewire.com)) - “Due to pandemic, the main difference this year is that many retailers are facing supply chain shortages, which means that the possibility of inventory shortages should be considered,” said Kimberly Palmer, a personal finance expert, advising parents to shop as soon as possible to find the best price. Parents will find deals on all sorts of supplies, including hardware, software, clothes, and more. To get better prices on a range of school supplies, shoppers should look to take advantage of school supply sales. Leawo Software, a company specialized in multimedia solutions and data management software, just introduces its [2021 Back2School Gifts & Sales online deals](#), offering various time-limited discounts on its hot-selling bundles and products.

Throughout the whole of September, customers can access these discounts and coupons online with ease. For example, customers can enjoy up to 50% special discount on its hot-selling bundles, including Leawo All-in-One Bundle, 11-in-1 Multimedia Solution Bundle, Best Blu-ray Toolkit, Best 4K/UHD Blu-ray Toolkit, and more. In addition, for those customers who have precise needs, they can choose to purchase Leawo Blu-ray singles with 40% off discounts or purchase Leawo site-wide products with a 30% off coupon code, including [Blu-ray Copy](#), [PhotoIns](#), [iTransfer](#), [Music Recorder](#), and so on. Among various discounts and products, Leawo UHD Copy, as one of the most popular and powerful Leawo products, can be regarded as the most worthwhile product to purchase in this event.

Leawo UHD Copy, as the best 4K movie backup software, can back up all kinds of 4K movies with or

without protection. With 2 backup modes provided, it can back up BD100 to BD100, BD66 to BD66, and even 4K 3D movies with original 3D effects retained in Full Movie mode, which offers a 1:1 quality lossless backup solution. While in the Main Movie mode, users can extract the main movie only from 4K UHD movies to save storage space and time. What's more, in the process of copying 4K UHD discs, HDR10, HDR10+, and Dolby Vision image quality will be perfectly preserved. Leawo now provides this powerful tool with up to 50% discount for students and teachers to back up their 4K UHD movies in the new semester. Starting today, until Sep. 30th, 2021, customers can purchase this software with a 50% discount in 4K/UHD Blu-ray Toolkit bundle, or purchase it separately with a 40% discount, saving up to \$99.95 in this event.
