

BeinCrypto, the Leading Cryptocurrency, and Deep Technology News Source Celebrate its Third Anniversary

The Company Announces a Renewed Plan to Remain the most Trusted and Verifiable Source for Deep Technology Information

United Kingdom, London, Sep 15, 2021 ([Issuewire.com](https://www.issuewire.com)) - World-leading cryptocurrency and technology news outlet BeinCrypto is celebrating its third anniversary today. With beefed-up editorial staffing, BeinCrypto aims to become the world's most trusted source for crypto and technology news.

BeinCrypto was founded in 2018 by Alena Afanaseva as a real-time 24-hour unbiased digital news and trading information platform specializing in cryptographic technology, blockchain, privacy, fintech, the Internet and IoT, and other innovative industries. BeinCrypto has helped create more than 150 jobs in the crypto space and is currently paying over 100 professionals working in this space.

Alena Afanaseva, says "It is my pleasure to thank my staff and all our readers as we celebrate three successful years. As the crypto industry experiences daily changes and breakthroughs, BeinCrypto is here to deliver fresh updates. Whether it'll be industry-rattling regulations or another NFT in outer space, our job is to keep our community in the loop and educated."

BeinCrypto has built a strong foundation for a new growth phase with worldwide coverage in ten local editions and languages.

As part of its third anniversary, BeinCrypto has partnered with the Trust project, a non-profit collaboration among top news publications, as a means to combat inaccurate or false information.

BeinCrypto reaches more than five million crypto- and technology-interested readers monthly with comprehensive news coverage. We also focus on helping the traditional finance community overcoming the barriers of entry into the blockchain-based future, with an extensive Learn & educational section.

BeinCrypto is hiring aggressively to meet all the demands of crypto newsreaders. Among the new names, BeinCrypto welcomes the new Global Editor-in-Chief Nanok Bie; "Virtually no sector is untouched by new decentralized solutions. BeinCrypto is perfectly prepared to cover all the new disruptive crypto tech – thanks to years of diligent, relevant, and accurate reporting.

About BeinCrypto

BeinCrypto is a news website founded in August 2018 that specializes in cryptographic technology, privacy, fintech, and the Internet — among other related topics. The website's primary goal is to inject transparency into an industry rife with disingenuous reporting, unlabeled sponsored articles, and paid news masquerading as honest journalism. Since founding the website, the team has grown significantly to incorporate some of the brightest professionals in technology media.
