

Best meme coin of 2021 launched

New York, New York City, Sep 20, 2021 ([Issuewire.com](https://www.issuewire.com)) - Best meme coin of 2021 launched !!

Bigwindoge decentralized cryptocurrency was created in August 2021 and is the first coin to integrate Jackpot in its rewarding system.

BIGWINDOGE has released a white paper outlining details of its token structure and confirming its TGE (Token Generation Event) will accrue on November 1st 2021.

details of its NFT Market Place, will be announced in the next few days.

With BIGWINDOGE NFT Market Place, customers will be able to mint, sell and buy Digital and Physical NFT's products.

the Platform Aims to reduce the gas fees and royalties' fees by introducing built-in APIs by Partnering with Companies specialized in creating Crypto APIs to support new platforms using blockchain technology.

BIGWINDOGE is also seeking and partnering with Digital Artists from around the world and inviting them to create their own galleries in the coming BIGWINDOGE NFT Platform.

member of the board is not on a Euro trip to Germany, Norway and Russia to promote the project and look for potential Digital Partners.

Airdrops will still be running on <https://Bigwindoge.com/>

customers seeking more updates and info can also Join BIGWINDOGE telegram group at:
