

Biznext - Now has 1+ Lac Retail Touch Points of Independent Business Owner in India

Maharashtra, Mumbai, Sep 21, 2021 ([Issuewire.com](https://www.issuewire.com)) - With 1 lac+ retail points, Biznext has made its mark and is fast becoming one of the leading forces in the Indian Fintech Market. During the harsh time of the pandemic, when most of the businesses were shutting down, Biznext provided partnership opportunities to retailers and distributors all over India and multiplied their income, with some earning up to 2 Lac monthly.

How is Biznext contributing to the formation of a better India?

[Biznext](#) is bridging the gap between rural and urban India - providing basic banking services to the underbanked population of India. During COVID-19, the amount given to the common man by government schemes was disbursed through Biznext retail outlets in many parts of the country. Biznext counters generate employment in rural areas and encourage the educated youth to earn respect by innovating their existing business, that too in minimal investment and heavy returns.

How Biznext is building India's largest network of Business Owners:

Biznext is steadily reaching out to those in search of new partnership opportunities. Retailers who have been selling traditionally for many years, distributors, super distributors who are looking to increase their income and expand their businesses, housewives, people with existing jobs looking for side incomes are joining Biznext.

Biznext, at its core, is addressing gaps in the existing system and solving real-life problems faced by both the retailers, who are looking to increase their income and customers, who want banking services near them. Following are the major reasons for a large no. of people joining them:

Low Investment

All one needs is an active internet connection & a smartphone/computer to offer assisted financial services to their customers.

Lucrative profit

Biznext retail outlets have marked a potential to make 50,000 to 70,000 rupees a month as their commission by providing financial services to their customers.

Increased footfall at their retail outlet

With the introduction of a new service at their store, retailers would experience a heavy footfall of customers.

Convert retail store into an ATM

Buy a [small Micro ATM machine](#) for less than Rs.3000 and convert a retail store into an ATM. Convert your outlet into a mini bank by providing services.

How can Biznext help you?

Biznext is the company that trains, develops, and empowers retail outlets all over India by enabling them to provide financial services to their customers. The retail outlet partners of Biznext marked a potential to earn up to 50,000 rupees a month by providing facilities like Aadhaar Banking, [Money Transfer](#), Mobile Recharge, Micro ATM & MPOS, Bank Account Opening, PAN Card Provider, Customer Bill Payments, Saving Insurance Khata and a host of such services to their customers from their retail outlets without any additional investment.

Biznext is leading by innovating- watch out, it might be in a retail store near you!
