

Bookmark.com launches their Marketplace with gang&lan media!

Bookmark.com partners with gang&lan media to launch their Expert Marketplace.

Ontario, Toronto, Sep 22, 2021 ([Issuewire.com](https://www.issuewire.com)) - [gang&lan media](#), an award-winning digital marketing agency, has joined hands with [Bookmark Your Life Inc.](#) ("Bookmark"), creating an unrivaled team that will help entrepreneurs and various other businesses build future-proof websites by leveraging Bookmark's Ai-powered website builder.

In the digital world, a brilliant website and a strong online presence serve as the foundation for a successful business. Bookmark has partnered with gang&lan media to give customers the option to have their website built by an expert, as well as access marketing services like SEO, Lead Generation, Social Media, and Branding to support their growth objectives.

gang&lan media's mission is to help business owners in every way possible; their motto is "if you can imagine it, we can create it." Bookmark's mission is to level the digital playing field by enabling everyone to create beautiful websites which are easy to build, manage, and improve. Their commitment continues to empower businesses, entrepreneurs, and thought leaders who can now focus on their vision rather than spending countless hours creating websites.

[David Kosmayer](#), the Founder and CEO of Bookmark is thrilled about this partnership which brings together the best in technology and human excellence to build brilliant websites. "We are excited about

launching our Expert Marketplace with a partner like gang&lani media,” he said. “Their track record of building incredible websites, providing best-in-class marketing services, and supporting clients throughout their digital journey for over 10+ years is truly impressive. Bookmark customers now have access to all of these services and so much more directly from their accounts. We are committed to leveling the digital playing field by making the ownership and management of beautiful websites accessible to all, this agency partnership brings us a step closer to that goal.”

[Sir Sanju Ganglani](#), the CEO of gang&lani media, believes working alongside Bookmark will be remarkable. “We are excited to partner with a world-class AI website builder. We have been looking at, and evaluating many DIY website builders in the market but haven’t come across any as robust and user-friendly as Bookmark.com. We strongly support the growth of small and medium businesses as they recover from the past year and a half and are proud to be a part of their recovery by offering them a solid foundation with a Bookmark website to start and complimentary digital marketing solutions to build on that foundation.”

gang&lani media and Bookmark’s marketplace alliance will not only open new doors for various businesses so they can reach new levels of success, but it will also unlock the full potential of creativity and marketing ensuring their strong online presence will be seen and felt everywhere.
