

Cosmetic Surgeon Mauritius | Plastic Surgeon Mauritius

Dr R Gunessee is the first & most reknown Mauritian Plastic, Reconstructive & Aesthetic Surgeon as well as Burns Specialist with over 35 years of surgical experience. He is regarded as an industry leader in breast augmentation and revision surgery an

Mauritius, Port Louis, Sep 27, 2021 (Issuewire.com) - **Dr. Gunessee's** expertise in fat grafting and breast surgery is widely respected by his colleagues. He has performed over 58000 surgeries with his practice acting as a referral center for complex surgeries. For **Dr. Gunessee**, innovation is everything and this has been a driving force behind his surgical philosophy. His exclusive practice in Mauritius attracts patients who expect the highest of standards and **Dr. Gunessee** prides himself on meeting his patients' goals in a safe and consistent manner. Known for his exceptional breast results, body-transforming mummy makeovers, and hips-buttock refashioning, **Dr. Gunessee** is well experienced in multiple techniques enabling him to combine methods to give his patients the best possible outcome. In

an era of 'one-hit wonders', **Dr. Gunessee's** patients are able to benefit from his diverse skillset and eye for detail.

Dr. Gunessee runs one of the busiest cosmetic plastic surgery practices in the country. His boutique practice, colloquially referred to as the 'Channel of Plastic Reconstructive & Aesthetic Surgery' services patients from all over Mauritius and neighbouring Islands & Countries. A frequent guest on Radio & TV Programmer, **Dr. Gunessee's** opinion and expertise are sought after by the media and medical community.

He has been featured in publications such as 'Congenital Malformations', 'Breast Surgery', 'Scar Therapy', 'Aesthetic Surgery' & 'Scar Correction'.

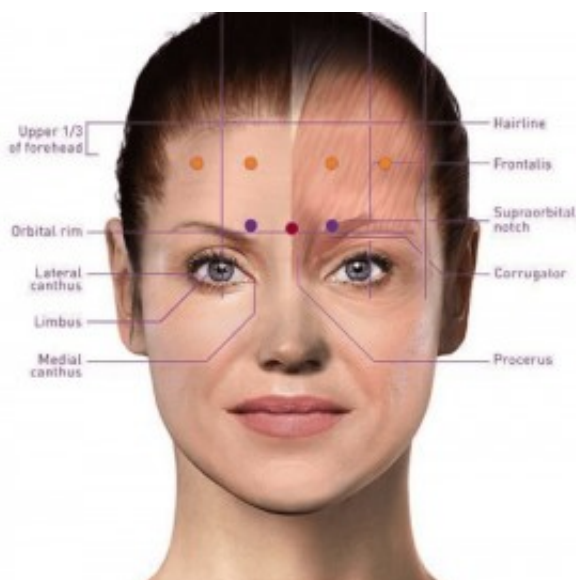

In this field experience, expertise and innovation are the keys to success. **Dr. Gunessee** believes that the future of Plastic Surgery is "super-specialization" in either Cosmetic Surgery or Reconstructive Surgery. Although he has trained in both reconstructive and cosmetic plastic surgery, **Dr. Gunessee** is one of only a handful of Plastic Surgeons in Mauritius with a practice solely committed to Plastic & Cosmetic Surgery.

Dr. Gunessee is committed to providing a consistently high level of expertise in his practice and therefore regularly attends and participates in the CME & CPD programs established by the Mauritian Medical Council.

As a father, **Dr. Gunessee** is dedicated to the needy causes of Children in Mauritius and around the World. Proud contributions are made to needy cancer surgery patients.
