

F9: The Fast Saga (2021) - The Fast & Furious Saga

California, Chatsworth, Sep 27, 2021 ([Issuewire.com](https://www.issuewire.com)) - **F9** (also known as **F9: The Fast Saga** and internationally as **Fast & Furious 9**) is a 2021 American action film directed by Justin Lin from a screenplay by Daniel Casey and Lin. It is the sequel to *The Fate of the Furious* (2017), the ninth main installment, and the tenth full-length film in the *Fast & Furious* franchise. The film stars Vin Diesel, Michelle Rodriguez, Tyrese Gibson, Chris "Ludacris" Bridges, John Cena, Jordana Brewster, Nathalie Emmanuel, Sung Kang, Michael Rooker, Helen Mirren, Kurt Russell, and Charlize Theron. In *F9*, Dominic Toretto and the team come together to stop a world-shattering plot headed by Toretto's brother, Jakob.

With a ninth film planned since 2014, Lin was confirmed as director in October 2017, returning to the franchise since last directing *Fast & Furious 6* (2013). *F9* is the first film in the franchise since *The Fast and the Furious: Tokyo Drift* (2006) not written by Chris Morgan. The cast was finalized with the addition of Cena in June 2019 and principal photography began that same month and lasted until that November, with filming locations including London, Los Angeles, Tbilisi, and Thailand.

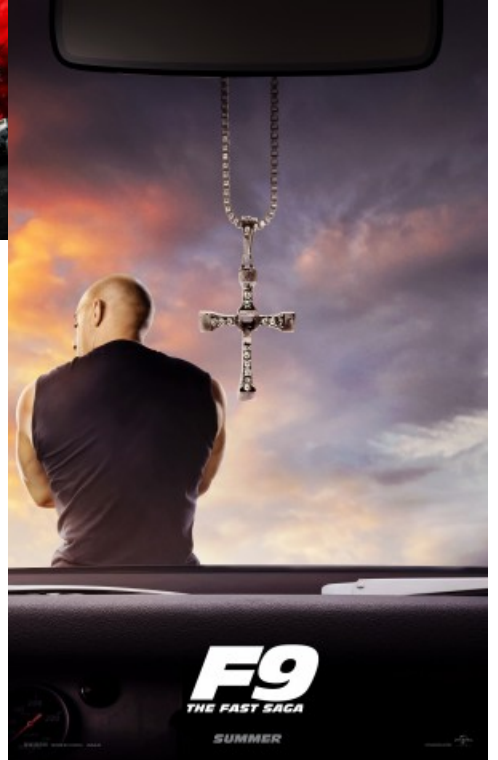

"F9" also honors the late Paul Walker who died in a car accident in 2013. Walker played Brian O'Conner in the first seven "Fast & Furious" movies.

"F9" is now available to watch at home through video-on-demand services. You can rent the movie for \$6 or buy the movie for \$20 from [Amazon Prime Video](https://www.amazon.com), Vudu, YouTube, Microsoft Movies, and Apple TV. The film's streaming debut occurred just one month after it premiered in theaters.
