

Find the Nostalgic Essence of '80s Rock with Zarbo and Its Latest Remastered Album

Join the musical journey with Zarbo and the latest remastered album 'A-Z Collection'. He is a Canada-based artist and producer who is keeping his name out there.

as **Zarbo** has come up with the latest remastered musical representations. The band has garnered a lot of attention in the golden era of pop and rock, and now it is bringing back classic flavors by remastering its old tracks. Previously, the band has released 'A-Z Collection' in 1985 which consists of seven amazing 8 amazing tracks followed by a chartbuster single 'Get Up and Dance'. The digitally remastered album was released in 2020 and tantalized listeners by providing them nostalgic flavors with a modern touch.

Alexander Zarbo was the frontman and mastermind of the band who is well revered as a uber-talented [Canada-based artist and producer](#). Alexander was the bassist and songwriter of the band with teamed up with guitarist Derek Sharp and drummer Greg Anzelc to form this band. Each member of the trio possesses indulgent vocal skills. After spending the golden era with some amazing contributions, Zarbo was disbanded later but their musical creativity is still prevailing. '[Change Your Ways](#)' from the latest album provides a retro rock-soaked soundscape along with catchy singing skills. It is track 2 from side 2 of the original LP.

The similar intensity and exquisite musical grooves can be found in another track '[Get Up And Dance](#)'. The track is quite catchy, engaging, and capable of inviting all the listeners to the dance floor. This is also the no 2 track that appears on Side 1 of the original album. 'A-Z Collection', the remastered album contains a total of seven tracks including '**Change Your Ways** (Remastered 2020)' and '**Get Up And Dance** (Remastered 2020)'.
