ABOUT SENSEI DAVE ARMSTRONG AND UNLIMITED POTENTIAL NETWORK ACADEMY:

Sensei Dave is on a mission to “positively impact 1-million people in 2021.” He is a product of a broken family, foster care, juvenile detention centers, and gang violence. After his mother died when he was 12 years old, he was left orphaned, with no family or friends to look after him. After struggling throughout his childhood he has “made it out”, he served 24 years in the US Air Force, sat on the Board of Directors for non-profit organizations, developed his own Martial Arts Mentoring Program for at-risk youth, and even now that he is in Greece and retired, he finds ways to continue to impact the world. He is a successful Motivational Speaker, Youth Mentor, at-risk youth volunteer trainer, Author, and Military Veteran.
