

Genius Rapper and Singer, Chasity McKenzie Announces a New Single “Medz”.

Chasity McKenzie introduces a new single that brings awareness to mental health titled “Medz”. She also turned Medz into a full brand. With Medz people are able to purchase smokable herbal tea blends, merch, and more!

Nevada, Las Vegas, Sep 28, 2021 ([Issuewire.com](https://www.issuewire.com)) - Multi-talented singer-songwriter and rapper Chasity McKenzie announces a new single titled “Medz”. Medz is Chasity McKenzie’s latest single with a dynamic and enriching musical composition and brings mental health awareness. She launches this

stunning song because he cares about people and the community. “Medz” lyrics and music compositions will make anyone feel enlivened and enthralled. *“With mental health being a stigma in this generation I would love to change the mindset of others. Letting the people know that it’s okay to not be okay.”* Said Chasity McKenzie, who is currently a veteran of the Air Force. The song “Medz” will be available soon on all major music streaming platforms starting from Oct 1st, 2021.

Chasity McKenzie’s artistic aura and talent have been noticeable since she was a child. She charmed everyone at home with his amazing voice. She danced and sang like Hannah Montana, a world-famous Star in her childhood, and marked her professional career after releasing a single called “Bang Bang” in 2020. More singles and EPs followed the success after the release of “Bang Bang”. Other popular singles and EPs like Clueless, W.H.I.M, Show Me, Snow, Beak, Ywto, and Mine, are worth considering from a singer inspired by Jhene Aiko, Cardi B, and Beyonce as her role model.

In addition to Chasity McKenzie’s recent song release “Medz”, she also turns Medz into a full band. She explained that with Medz, people are allowed to purchase various merch, smokable herbal tea blends, and more. *“Stay tuned on the “Medz” release time. You’ll be surprised by the song and enjoy the herbal tea blend and a wide range of merch.”* Said Chasity McKenzie, a multi-genre sensation POP, RAP, and R&B.
