

Goodbye Summer, Hello Germs! SafeHandles Has You Covered

As we say goodbye to summer, we say hello to spending more time inside. That means we need to be even more concerned about the spread of germs.

California, Eureka, Sep 14, 2021 (IssueWire.com) - As we say goodbye to summer, we say hello to spending more time inside. That means we need to be even more concerned about the spread of germs.

SafeHandles has you covered! Simply apply the EPA-approved, self-cleaning sleeves on knobs, handles, and levers and let the silver ion, antimicrobial properties clean 24/7. Whether it's in the home or at the workplace, give family, friends, employees, and customers the best situation - a clean one.

With more than 1.5 million installments worldwide and operations globally, businesses, schools, sports facilities, medical offices, hotels, airports, homes, and so many other places are making SafeHandles essential.

As you say goodbye to Summer and hello to germs, if you see SafeHandles installed, you can say thank you! Learn more at www.safehandles.com.
