Delhi, New Delhi, Sep 17, 2021 (Issuewire.com) - Plants are the best Green Gifting Ideas. Plants not only add aesthetic appeal to our interior space but also connect us with nature. When we give plants to our guests or loved ones, we help nature. We give them natural plants, which are great green gifts rather than any other gift items. Indoor plants are the best Green return gift also.

Peace Lily

Peace Lily has a fascinating appearance and low maintenance nature, making it a good indoor plant for gifting. The air purifying property of peace Lily keeps it apart from other indoor plants. The creamy-white flower surrounded by the petal-like spathe grows in a spadix and looks very alluring.

Ficus Bonsai

When we talk about the best green gifting plants, then ficus Bonsai comes at the top. Ficus Bonsai looks like a miniature tree with its Woody & curved trunk and distinct foliar pattern. Bonsai means dwarf trees in containers. When it is associated with growing ornamental plants, you can give it to any occasion or festival to your loved ones.

Jade plant

If your friends or relatives are black come, and you want to give them an indoor plant, then the long-living Jade plant is a good choice. It needs low watering and maintenance. The thick stems of the Jade plant are covered with fleshy oval leaves. As soon as the plant grows, it takes the appearance of a miniature tree. In winter or spring, pink-white flowers also bloom.

Lucky bamboo

You can live with lucky bamboo resting on a water pot filled with pebbles. It will look fascinating. The twisted, long, arranged stems of the lucky bamboo look great. It is also known to bring good fortune to its owner, and it can handle various light levels conditions.

Orchid

Orchid is available in various colours, e.g. blue, white, yellow, pink, orange, and red. The orchid flowers are yellow and green, and the leaves are dark green and glossy. The profound overlapping of three petals and three samples of the orchid flower makes it look so beautiful.

Christmas cactus

Christmas cactus has eye-catching flowers in different shades of yellow, red, white, and pink. This is a beautiful Christmas gift. The drooping branches of this plant are covered with prickly thorns. The spines of the Christmas cactus are modified leaves, and the green leaf-like flattened segments on its branch are modified stems.

Roses

Rose is considered one of the classic gift options when you think about giving gifts. Roses provide pleasant vibes in the surroundings where they are planted. They look beautiful. The pleasant smell of roses improves relaxation and provides sound sleep. A potted rose plant is always better than the cut-picked Rose arranged in a bouquet. The sweet smell of Rose will remind them of you every day and every birthday.

Birds nest fern

The light green fronds of the bird's nest fern resemble the nest of a bird. This plant is suitable for indoors and outdoors as well. It can be a great return gift.

Money plant

When you give a money plant to your loved ones, it is like a blessing. Money plant is known to bring good luck and fortune to its owner. The dark green heart-shaped leaves of the money plant make it look very attractive. It can thrive in low-light areas. You can grow it in water and soil; it also cleans the surrounding air by absorbing harmful chemicals.

Succulents

Succulents are very low maintenance and Hardy in nature. Fleshy leaves and stems of succulents can retain water for a long period. The main reason for the popularity of succulents is that they are very easy to care for.

Cactus

Cactus are highly resilient and low-maintenance plants. This is a great choice for return gifts; it is available in various colours, shapes, and sizes.

Best birthday gifts

You will not like that the birthdays of your loved ones are like any other day. Give them special treats. Plants will give them positive energy and Good Vibes. Don't worry if your friend or relative is a black thumb. You can give them plants that are easy to care for and need low maintenance. Human beings have a natural attraction towards plants. We feel relaxed in the company of nature.

Every birthday is the new beginning of our life, and it should be celebrated in special ways. They also are symbols of our achievements in life.
