

## Groove To Jake Silva's Latest EDM Anthem 'Silva's House Vol. I'

New York DJ artist Jake Silva gets the crowd swinging and dancing to his exotic beats in the latest track 'Silva's House Vol. I' and secures his spot in the industry.

**New York City, Sep 20, 2021 ([Issuewire.com](http://Issuewire.com))** - With so much of new music offered by the EDM music community regularly, many artists fail to make a mark due to a lack of diversity. Then there are a few such talented gems who leave behind a fruitful impact at the very first chance. One such artist who has stood out in the 2021 EDM list with his amazing creative skills and genuine passion to

entertain the audience is **Jake Silva**. The **NewYork DJ artist** has begun collecting all positive reviews from the genre audience with his brightest music gems that immediately lure the audience to the dance floor. His rise to stardom is inevitable as the prolific artist combines his creativity with modern age sounds to compose intoxicating sound designs. The artist unleashes the best of his qualities to treat his listeners and has composed some of the best EDM bangers of the season.

On the latest, the DJ/ music producer has released his latest club anthem '**Silva's House Vol. I**', that gets along with the listener's mood in full swing. With a lot of passion, conviction, and artistic freshness, the musician has churned out the best elements of dance, house, EDM, Latin, Caribbean, and International to compose a dynamic mix of the varied tastes. The song spans for almost half an hour and makes for a perfect play at nightclubs or music festivals. The soaring sounds of the various EDM instruments, the engulfing beats, the punch, and the industrial rhythms, everything amalgamates to boldly immerse the listeners to the finish. Listeners get to experience the late-night dance hit that deserves multiple revisits.

What makes for a surprising addition are the various vocal inclusions at sudden turns that elevate the audio experience. The whole thing wraps around the audience in a captivating manner and as the volume increases, the soundscape draws the attention even further to offer a beautiful sound play. Coming from the United States, **Jake Silva** follows his heart to curate his entertaining and enjoyable pieces of music. The DJ has already created ripples in the EDM world with his refreshing mixes and the latest compilation '**Silva's House Vol. I**' is only going to uplift his rank in the charts. Listen to the soundtrack on Soundcloud and YouTube, and follow him on Instagram for more details on his future projects.
