Get to know Otolaryngologist, Dr. Harry Pantelides, who serves patients in New York

New York, New York City, Sep 20, 2021 ([Issuewire.com](https://www.issuewire.com)) - A board-certified otolaryngologist, Dr. Pantelides sees patients at his recently opened private practice, Brooklyn ENT & Allergy in Queens and Brooklyn, New York. As an otolaryngologist, he specializes in the medical and surgical care of ear, nose, throat, and head & neck conditions in both adults and children. Clinically, Dr. Pantelides maintains an interest in sinusitis/rhinitis and allergy, thyroid and parathyroid surgery, voice and laryngeal disorders, acute and chronic ear disorders, hearing and balance disorders, as well as sleep surgery.

Brooklyn ENT & Allergy is a cutting-edge private practice that provides a full spectrum of services, including adult and pediatric ear, nose, and throat care, minimally-invasive in-office CT-guided surgical management of chronic sinusitis/rhinitis, allergy testing and management, in-office Sinus CT scanner (Williamsburg), hearing & balance testing and care, and hearing aid services. To complement his clinical role, Dr. Pantelides serves as an Assistant Clinical Professor at the New York Eye & Ear Infirmary, where he also practices.

After graduating at the top of his class from the Sophie Davis School of Biomedical Education at CUNY, Dr. Pantelides received his medical degree from the New York University School of Medicine in 2008. He then completed his residency in Otolaryngology-Head & Neck Surgery at the prestigious New York Eye and Ear Infirmary/Mount Sinai (2008-2013). Dr. Pantelides is licensed to practice in the state of New York.

A Fellow (FAAO-HNS) of the American Academy of Otolaryngology-Head and Neck Surgery, Dr. Pantelides received board certification in otolaryngology from the American Board of Otolaryngology-head and Neck Surgery. The American Board of Otolaryngology is a non-profit corporation that has set the mission of ensuring professional standards with certificates and memberships, and has offered training in the fields of head neck surgery to professionals since 1924.

Otolaryngology is a medical specialty that is focused on the ears, nose, and throat. It is also called otolaryngology-head and neck surgery because specialists are trained in both medicine and surgery. An otolaryngologist is often called an ear, nose, and throat doctor, or an ENT for short.

On a more personal note, Dr. Pantelides speaks English, Greek, and Spanish.
