

## Housing Market Group (HMG) is Expanding to Qatar & India

# HOUSING MARKET

**Hong Kong S.A.R., Hong Kong, Sep 20, 2021 ([Issuewire.com](https://www.issuewire.com))** - In a world where a high premium is placed on top-quality properties at reasonable prices, you will desire a platform that provides you with top real estate listings from all over the world. You also need a highly interactive, proactive, and user-friendly portal that links you directly with Real Estate owners, Agents, and Professionals. What you need is Housing Market Group (HMG), a global online real estate leader established in 2017 in Hong Kong.

Since the launch of our first portal ([Hong Kong Housing Market](#)) in July 2017, we have not looked back.

Housing Market Group has continued to grow in leaps and bounds by making inroads into different countries in Asia. Apart from Hong Kong, we are also currently active in [Singapore](#), [Thailand](#), [Malaysia](#), [Philippines](#), [Dubai](#), Canada, and [Australia](#)

It may also interest you to know that we are rapidly expanding beyond the shores of Asia and at the moment we are currently setting up shop to serve the entire real estate ecosystem in [Qatar](#) and India by providing property searchers, agents, and real estate service providers with invaluable real estate opportunities.

Property searchers will be provided with quick and efficient ways of locating top-quality properties from around the world while agents and service providers are provided with the most effective ways to win over exclusive, top-quality clientele.

By September 2021 we had as many as 56,314 Active Real Estate Professionals and 4,326,472 Active Property Listings. We also have a staff strength of over 30 with strategic offices located in Hong Kong (Head Quarters), Bangkok (Thailand), and Manila (Philippines)

What's more, the Housing Market Group portal provides the most innovative Real Estate services in each of the aforementioned countries and our services are completely free of any charge for Properties owners, Developers, and Real Estate Agents in the respective countries.
