

IssueWire Launches Tier-1 Pro and Tier-2 Pro Press Release Distribution Service for its Top Tier Clients

IssueWire, one of the best press release distribution services recently launched Tier-1 Pro and Tier-2 Pro packages which include Top Tier media outlets.

New York, New York City, Sep 24, 2021 ([Issuewire.com](https://www.issuewire.com)) - IssueWire has recently expanded services by launching **Tier-1 Pro** and **Tier-2 Pro** providing some of the best distribution and placement opportunities for our clients. We already had Tier 1 and Tier 2 service packages and now with the addition of the new packages, we are diversifying as one of the premium PR distribution sites in the scope of the relevant market. Any business or brand looking to build their brand name must avail our PRO Press Release services to find exposure across millions of users through the company's strong affiliation with **Premium NBC, CBS Affiliates, Google News Network, MarketWatch**, Financial Distribution Network, Barchart Networks, and featured in Google News and Apple News; it's been distributed over **300+ media outlets** with our Top Tier package.

IssueWire's Tier-1 Pro and Tier-2 Pro Packages do not just target the right audience stream through PR distribution for the business; you also get guaranteed 9k-15K reach apart from the usual distribution reach.

As a client, you may choose the service package after consulting with our marketing team at IssueWire and pursue the one based on your requirements. The services included in the **Tier-1 Pro package** coming with 225+ media outlet placements and 9k-16k reach include:

- Media Distribution: Inclusion in Google, Yahoo, Bing, **Google News, Apple News**

- Top Tier Newswire Placements: Distribution across **Google News Networks, Financial Distribution Network, Barchart, Marketmedia Network.**

- Features: SEO mass ping, social media blast, Google indexing, distribution across IssueWire news subscribers, promotion across target audience, social media promotion and sharing, scheduled distribution, email notifications, access to PR's PDF version, the inclusion of anchor texts, images, social handles, etc., SEO audit, mobile distribution and reports of the ongoing campaign

Tier-2 Pro comes at 300+ media placements and 9k-16k Guaranteed PR reach provides all of the above services as Tier-1 Pro other than additional features such as:

- Top Tier Newswire Placements: Premium News Network, Featured on **NBC & Affiliates, CBS & Affiliates, FOX & Affiliates, CW & Affiliates, and Marketwatch**, Financial Distribution, **Barchart, Marketmedia**

- Features: Hosting content copy indefinitely, an opportunity to preview PR before distribution, and AD-free PR

You can Sign up and get started from here- <https://www.issuewire.com/signup/pricing>

With all the above-mentioned services, IssueWire strives to emerge as the best distribution company that has a legacy of establishing numerous businesses into their respective industry and audience goals. If you are someone looking for authentic and effective PR distribution and subsequent placements and more, avail of our pro packages to get the best promotional treatment in the market.

You may also opt for Sponsored promotions that help in extensive paid coverage on magazines, websites, blogs, and also the YouTube network. Paid promotion primarily focuses on making the PR reach your target audience via Google Network and other Social Media Services you want to promote. Availing our [press release distribution packages](#) also includes PR writing services that help clients to build the best draft to present before the media.
