

James J. Doyle III, MD, a Pulmonologist with WESTMED Medical Group

Get to know Pulmonologist Dr. James J. Doyle III, who serves patients in Rye, New York.

New York, New York City, Sep 28, 2021 ([Issuewire.com](https://www.issuewire.com)) - An expert in the field of pulmonology, Dr. Doyle has a special interest in the diagnosis and treatment of asthma. He has been affiliated with WESTMED Medical Group since May of 2001, operating out of the office in Rye, New York.

WESTMED Medical Group is an award-winning multi-specialty medical practice, staffed by a team of

500 top physicians and advanced care providers and 1,500 clinical employees, throughout their thirteen office locations in Westchester County, New York & Fairfield County, Connecticut. They believe that the high-quality care they deliver, along with the convenience of their full-service medical facilities, creates a superior patient experience, fosters better communication, yields more effective treatment plans, and ultimately produces improved health for the patients and communities they serve. The team is committed to being a partner to patients in their comprehensive, lifelong care.

Among his other roles, Dr. Doyle's primary hospital affiliations are Greenwich Hospital and White Plains Hospital.

Academically, he graduated from Georgetown University in Washington D.C., and received his medical degree from the Georgetown University School of Medicine. He then completed his internship and residency in internal medicine as well as a fellowship in pulmonary disease and critical care medicine at Walter Reed Army Medical Center.

Dedicated to clinical excellence, the doctor is board-certified in internal medicine, pulmonary disease, and critical care medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

In addition to being a Fellow of the American College of Chest Physicians, Dr. Doyle is a member of the American Thoracic Society and the American College of Physicians.

Pulmonology is a medical specialty that deals with diseases involving the respiratory tract. A pulmonologist is an internal medicine physician who specializes in preventing, diagnosing, and treating conditions and diseases that affect the lungs, bronchial tubes, and the respiratory system, including the nose, pharynx, and throat.

A Top Doctor in Westchester Magazine for 2020, Dr. Doyle has been the recipient of the New York Magazine Top Doctor Award for 2021.

Raised in Larchmont, New York, he lives in the area with his wife, Elizabeth, and their three children: Elysse, Sharon, and Christine.
