## Join Our 25th Year Celebration and Prayer for Peace Today

**Synchronized Moment of Intention** 

**California, San Francisco, Sep 18, 2021 (**<u>Issuewire.com</u>) - Join us for Earthdance's 25th year starting at 3:30 p.m. California time, for a program streaming on <u>Earthdance.TV</u>.

Our theme, "Peace - It's Time!" is more important than ever as we set our intentions for emerging in joy, music and dance from these unprecedented times.

Hosted by Michael Gosney and Andy Fusso from <u>Earthdance International</u>, we will begin by telling our stories, and then leading into our synchronized moment of intention with other Earthdancers from around the globe.

The Prayer (synchronized moment of intention) will start at 4 p.m. and features the etheric and beautiful "Prayer for Peace" performed by Lynda Arnold (<u>Divasonic</u>) with visuals by Michael Strauss.

It's followed by a remembrance of our inspirational friend and Earthdance supporter Sandra Hay. The day will continue with programs from around the world including Earthdance Florida/Radio Cave and the Global Heart Dance coming from Bali, among others. A complete listing of global programming will be posted on <u>earthdance.tv.</u>
