Jurllyshe live show-----a bridge to customers

The reporter has interviewed Louise Hicks, the main operator of Jurllyshe live show, he said: "the live show is very necessary for an online fashion brand, especially for Jurllyshe, the newborn fashion brand. Jurllyshe live show can be a bridge that connects Jurllyshe and our customers directly, only if customers see the real model, the real designer, and the real clothes can we win their trust after all the customers can only watch the pictures on the website and decide to pay for the styles if we can create a chance for them to learn Jurllyshe's products faithfully and clear up the misunderstanding, so why not do it?" And he added, "Jurllyshe live show really creates a new era of the e-commerce, we take the initiative to show our good products to our customers rather than just waiting for them to find us and select the clothes from thousands of styles. That is the thing that even the physical stores can't achieve, we will not just wait for customers, we go and find the customers actively. All the latest fashionable styles will be selected in the live show and the customers can learn every detail of these styles, like or unlike, how do they show on the body..... everything is clear."

Jurllyshe live show-----super benefits

Jurllyshe live show is not only for showing clothes but also for giving customers great discounts.
