

Jurlyshe street style sets off a wave of the fall collection

Jurlyshe has launched their new fall collection, the category of this collection is complete. The street style of all products has been brought into the biggest focus.

New York, New York City, Sep 2, 2021 (IssueWire.com) - Jurlyshe fall collection is continually coming out, it is true that they have made a wave of street style fashion. No matter the hoodies, zipper jackets, long sleeves dresses, sexy leggings, or the pattern print sweatshirt and sweatpants of Jurlyshe's new fall collection, the most obvious design element should be the street style details.

Jurlyshe typical street styles of the fall collection

Jurlyshe street styles have infiltrated all the categories of the Jurlyshe fall collection, customers can find the best street style in every class.

Hoodie: As a popular item of fall and winter, it has also gained the most attention from designers. Jurlyshe fall hoodie styles are printed with many original cool patterns and slogans, which are all meaningful and special. The fitted silhouette and warm fabric make the hoodies more comfortable to wear.

Sweatshirt: wearing a more thick T-shirt with long sleeves can be a lighter option and it is very convenient for daily life. The high-quality embroidery and print are used so that the sweatshirt can be more energetic, the fancy patterns are also matchable with all the casual pants, jackets, and shoes.

Sweatpants: the comfortable style is really friendly to the cold weather, many cool graphics that represent the fashionable life attitude are printed on the sweatpants, it may give more fun to the boring life.

what is street style?

The street style is a fashion style that was born among the grassroots wears, unlike most other fashion styles that are from the upper class, street style has its unique charm of freedom. When the exaggerated or graffiti patterns are printed on the oversized or sexy and slim clothes, it will show the great visual impact and the stronger power of fashion. And now, the street style has become a classic bottom-up fashion trend that is always associated with the young culture and the rebellious spirit.

Why does Jurlyshe choose the street style?

[Jurlyshe](#), an international online fashion brand, is also well-known for its trendy styles and affordable price. In the early time, to cater to the market of young people and students, Jurlyshe had focused on the street styles, so the street style can be the basis of Jurlyshe fashion company.

On the other hand, there is no doubt that the street style has been leading the newest fashion trend. The turbulent world, the spirit of carpe diem, and the social phenomenon in which entertainment is

Paramount can all be the chiefs of the trend of street style. It is always the public who selects the trend for the fashion industry, then the fashion brand makes the fashion wave visualizing.

Jurllyshe reviews of their street styles can always stimulate the other brands, especially for the street styles in their fall collection of this season. Jurllyshe latest street style was also noticed by many YouTube and Tiktok influencers, a marvelous fashion trend of Jurllyshe is starting gradually.
