Get to know Plastic Surgeon Dr. Kimberly Henry, who serves patients throughout the State of California.

New York, New York City, Sep 30, 2021 (Issuewire.com) - In private practice since 1991, Dr. Henry offers premier plastic surgery in the San Francisco area characterized by the highest standards of medical excellence and professionalism combined with personal warmth and a genuine, caring attitude. She now has four locations, providing cosmetic plastic surgery to Marin County, as well as much of Northern California.

“Our cosmetic and plastic surgery facilities in Marin and the Bay Area are spacious and elegant, featuring state-of-the-art surgical suites, the most up-to-date equipment, and the special privacy cosmetic surgery patients often seek. The luxurious atmosphere accents a relaxing, comfortable environment that also allows us to monitor each patient closely through every stage, from pre-surgery to post-operative care” as stated on her website.

Highly educated, well trained, and active in the medical and plastic surgery community in San Francisco and California, she belongs to a number of prestigious medical and honor societies, including the American Medical Association and the California Plastic Surgery Society.

Pertaining to her educational background, Dr. Henry received her Bachelor’s degree from the University of Southern California and her medical degree from the University of California Davis School of Medicine. She completed her general surgery training at the Oregon Health Sciences University Hospital and her plastic surgery training at the Rush Presbyterian/St. Luke’s Medical Center in Chicago. She earned a second fellowship in aesthetic and breast surgery at St. Vincent’s Hospital in Portland.

A valued member of the American Board of Plastic Surgery, she has a masterful, gentle, and meticulous touch to perform many cosmetic surgery procedures with precision and delicacy.

One of the truly gifted practitioners in the field of cosmetic surgery, Dr. Henry has been a guest on numerous national and local television and radio news shows and is a frequent guest speaker for local community organizations discussing plastic surgery advancements in San Francisco. She is also the author of The Plastic Surgery Sourcebook (Lowell House, 1999) and The Facelift Sourcebook (Lowell House, December 2000).

Plastic surgery is a surgical specialty involving the restoration, reconstruction, or alteration of the human body. It can be divided into two main categories - reconstructive surgery and cosmetic surgery. A plastic surgeon’s primary responsibility is performing surgical and non-surgical procedures, and they use a variety of reparative and reconstructive techniques to get the job done.

Among her most notable achievements, Dr. Henry has been the recipient of the Best Plastic Surgeon in Marin County Award from 2006 through 2012.
