

Leawo's Back-to-School Sales are in Full Swing with Up to 50% Discount for Leawo iTransfer

Leawo Software just released 2021 back-to-school online sales, including up to 50% discount on Leawo iTransfer to help students and teachers transfer files between iDevices and computer easily for new semester.

Guangdong, Shenzhen, Sep 1, 2021 ([Issuewire.com](https://www.issuewire.com)) - Although summer vacation draws a close for students and teachers, there is another benefit in the coming weeks – back-to-school sales. The next few days happen to be a great time to stock up on computers, laptops, mobiles, clothes, school supplies, must-have software, and more at discounted prices. As the epidemic rages, many students are forced to take classes online, which had led to a sharp increase in the demand for tablets. But the problem also follows – how to transfer files between iPad, iPhone, and computer? To help people solve this problem in the new semester, Leawo Software, a company specializing in multimedia solutions and data management software, just launched its [2021 Back2School Gifts & Sales](#), offering up to 50% discount on [Leawo iTransfer](#) to help people transfer files between iDevices and computers without effort.

Undoubtedly, iTunes is the best software for Apple users to transfer and manage files of their iDevices. However, with the macOS Catalina update, Apple finally decided to ditch iTunes. Instead, everything iTunes did have been replaced with Apple Music, Apple TV, Podcasts, and Finder, which may increase the hassle of managing users' libraries and other data. Fortunately, there are many iTunes alternatives to help people transfer and manage iOS data. Leawo iTransfer, as one of the best iTunes alternatives, is designed as a one-stop destination backup manager, which can help users [transfer photos](#), [music](#), videos, contact, and up to 12 kinds of files between iDevices and computer. In addition, it can also be a powerful iOS data manager. With this versatile software, users can export, import, delete, rename and [back up their iOS data](#) without iTunes limitations. What's more, to help students and teachers bring digital documents on the go, Leawo iTransfer can also make users' iOS devices like flash drives to store digital documents.

Starting today, until Sep. 30th, 2021, no matter students, teachers, or even parents, can all participate in this event. That is, people can purchase a lifetime license of Leawo iTransfer with the price of \$14.98 in 50% discount All-in-One bundle, or purchase a lifetime or one-year license of it separately with a 30% off site-wide coupon code. Leawo iTransfer is available in Windows and Mac, and people can download and experience both versions for free.

Other sales:

- Up to 50% discount on Leawo All-in-One bundle, Best Blu-ray Toolkit, Best 4K/UHD Blu-ray Toolkit, 11-in-1 Multimedia Solution Bundle, and more.
- 30% off coupon code for Leawo site-wide products. People can go to the end of its promotion page, then copy and paste the code to the purchase page to activate it.
- Opportunity to win Leawo DVD Creator for free. People can click like on Leawo's official Facebook, then enter their name as well as email address to get a free registration code of Leawo DVD Creator.
