

Make Some Way for the Up-And-Coming Rapper Raw Biz and His Latest Track ‘You Know It’

The hip-hop music industry is getting enriched by the latest musical representations by Raw Biz. He has recently released a track named ‘You Know It’.

Wisconsin, Milwaukee, Sep 13, 2021 ([Issuewire.com](https://www.issuewire.com)) - Dishing out with his potential of creativity, **Raw Biz** is making his listeners tantalized with his latest banger ‘**You Know It**’. The track is crafted with a hypnotic soundscape that can captivate everyone with a major hook. The rapper meanders through the whole soundscape with his rhinal tone and eclectic deliverance. There is a

perfect balance between lyrical clarity and his rhythmic flow which makes the banger even more dicey and enjoyable. His unwavering personality reflects through the banger with a subtle dose of optimism and confidence. The subject matter in the track has an unapologetic lyrical approach which hits hard with strength during the bars.

Born in Chicago raised in Milwaukee, this artist has had his share of struggles while he grew up and his striving life reflects through his tracks. He started rapping at the age of 12 years started performing in rap battles when he was 14 years old. While nurturing his skills, the artist finally started releasing his own tracks. Some of the singles like, 'Run 4 It', 'Wrist Work', 'Big Risk', Dollar Store (feat. Munch Lauren)', etc are examples of his consistency and creativity.

The rapper is also involved with a group known as FBA (Family Before All) Music Development. The latest release '[You Know It](#)' is just another addition to his musical arsenal. It has been released under the label of GT Digital / C-Dyvine Muzik Group LLC and currently making a huge buzz in the industry. He is looking forward to releasing more tracks in the coming days.
