Get to know Family Nurse Practitioner, Monique Turner, who serves patients in West Valley City, Utah.

New York, New York City, Sep 21, 2021 ([Issuewire.com](https://www.issuewire.com)) - Monique is a family nurse practitioner at CVS MinuteClinic - Urgent Care Family Practice located in West Valley City, Utah.

To begin her career, she obtained her nursing degree from Weber State University and proceeded to practice bedside nursing at the Veterans Affairs Medical Center in Salt Lake City, Utah. After years as a bedside nurse, she felt the drive to do more for her patients and that her path of patient care was incomplete. She decided to continue her education at Westminster College, where she received her Master's degree.

Passionate about her profession, Monique is certified by the American Academy of Nurse Practitioners (AANP). She attributes her success to the example she was shown by her mother as a child, in addition to the joy and appreciation, she gets from caring for her patients.

A Certified Family Nurse Practitioner (FNP-C) holds certification and provides continuing and comprehensive healthcare for the individual and family across all ages, genders, diseases, and body systems. FNP's maintain patient records, perform physical exams, order or perform diagnostic tests, prescribe medications, develop treatment plans, as well as treat acute and chronic illnesses, conditions, and injuries that fall under primary care.
