

Mudra Coin Looking to Launch its Deflationary Token in the Market with Utility Services

Rajasthan, Jaipur, Sep 9, 2021 ([Issuewire.com](https://www.issuewire.com)) - The Crypto Token industry is witnessing a novel investment opportunity every day. A new platform, [MUDRA](https://www.issuewire.com), with its unique investment strategy is now ready to serve investors in a revolutionary way. MUDRA, is home to a loving little puppy and is ready to steal the heart of every crypto lover. Based on the user's recent trade analysis, every hour the smart MUDRA will send holders the token having maximum value as rewards. This creates a potential for faster growth on every reflection.

The team of MUDRA dubs it as World's First Multi Rewards Token, where an investor can get the highest value of Coin at that time from a long list of coins including Ethereum, Binance Coin, Bitcoin Cash, ChainLink, Litecoin, Cardano, Polygon, Polkadot, Uniswap, Ethereum Classic, Maker,

PancakeSwap, TRON, USD-Tether, Ripple, Dogecoin, and BitTorrent Token.

MUDRA has been designed to reward long-term holders. For us, the community is first and foremost. MUDRA pre-sale will begin on September 10 on Pancakeswap. Its token \$MDR is a deflationary token designed to become more scarce over time. The holders of MUDRA will earn more cryptocurrencies that are automatically sent to their wallets by simply holding MUDRA tokens in their wallets.

Having an initial supply of 51,000,00,00 Tokens, and liquidity fixed for a year, the platform sends 10% of each transaction as rewards to reflect every hour. They add 5% of each transaction to the liquidity for stabilizing the price and use 5% for buyback and heavy marketing. The majority of LP tokens are locked & some are burned to prevent inflation.

They have already started the giveaway which already has more than 12000 entries. With an active community of more than 5K users on their official telegram channel, the team actively provides updates on new promotions, giveaways, and answers investor's queries in a timely manner.

It is the hard work of their dedicated team that the platform is now trending on Reddit.

With its unique Multi Rewards Token program, referral program, and dedication to serving, the Crypto Company is committed to providing a secure, and healthy investment platform to its investors and is hoping that investors will love the project and support for its long term development, which is designed in a way to provide increased profits to all the \$MUDRA holders as the platform matures.

Apart from all the above, Mudra India CEO Mr. Ravi Jain further confirmed that Mudra will be working on different platforms to ensure financial freedom to all investors, ease of transactions, better living conditions for humanity, and multiple employment opportunities across the world.

Mr. Ravi Jain further confirmed that right from day one, Mudra can be used to make instant payments for day to day services like Mobile Recharge, Postpaid Bills, DTH Recharge, Data Card Recharge, Gas Bills, Water Bills, Electric Bill, Bill Payments, Bus Ticket, Flight Ticket, Hotel Booking, Rail Ticket Booking, UPI Payments, QR Code Payment, Voucher Payments.

As the journey moves on, we will be adding vital services and products to our list.
