

New SportsEdTV Soccer Contributor to Share Wide International Coaching and Pro Experiences

Matteo Masucci has unique cognitive training research to share

Florida, Miami, Sep 15, 2021 ([Issuewire.com](https://www.issuewire.com)) - [SportsEdTV](https://www.sportsedtv.com) has added Matteo Masucci to its significant list of contributors to international soccer audiences accessing its free online sports instruction.

"Matteo will be sharing the discoveries his research reveals in unique athletic designs of cognitive

training—his specialty, and our athletes, coaches, and even parents will surely benefit," said Robert Mazzucchelli, Founder, and Chairman [SportsEdTV](#).

Matteo is currently directing the Juventus Academy of Los Angeles, the Juventus Academy of Toronto, and the Fitlight Research Lab. He is the Founder of Vitruvian Sport Systems, a Canadian technology company building a CAMPO AI platform for soccer organizations.

"After his professional and European coaching experiences, Matteo expanded to North America, leading to a strong coaching and consulting profession serving senior management of soccer organizations," added Victor Bergonzoli, CEO [SportsEdTV](#).

Matteo earned his Bachelor's Degree in Sport and Exercise Science and then attended the University of Roma where he received his Master's Degree in Kinesiology. He had the opportunity to work for the Medicine of Sport at the School of Sports in Roma. He is the Founder of Vitruvian Sport Systems, a Canadian technology company building a CAMPO AI platform for soccer organizations.

About [SportsEdTV](#): [SportsEdTV](#) exists to help athletes, coaches and parents LEARN, WIN, and CELEBRATE. We don't expect everyone who uses our learning tools to become a world champion - that's not our mission.

We do expect people who use our educational resources to become their champion, by whatever definition they view success in their chosen sport. For some, success is making the varsity team, for others, it's becoming country champion, and for others still, it may simply be gaining proficiency at a sport that offers a lifetime of fun and fitness. "

To us, no matter your aspirations in sport, if you are striving to improve, you are winning! As a leading sports education media company, we provide FREE video and blog content to anyone in the world with an internet connection.

We also offer a global online community, where athletes, parents, and coaches can interact, connect, chat, share content and find new friends. [SportsEdTV](#) videos feature coaching from world-class coaches and athletes - many of whom are or have coached world champions - and have been watched by viewers in every country in the world.
