

Oviex.money secures funding from Global Blockchain Ventures Capital

Oviex.money expands further as a crypto exchange platform after receiving investment from Global Blockchain Ventures Capital

Valletta, L-Iklin, Sep 14, 2021 ([IssueWire.com](https://www.issuewire.com)) - After accepting funding from Global Blockchain ventures Capital, Oviex.money continues to grow in the Blockchain Industry. This platform is committed to helping traders with safe transactions and reliable trades in cryptocurrency. With its user-friendly interface, Oviex.money is the perfect platform for beginner and professional traders.

The Global Blockchain Venture Capital has helped incubate many promising blockchain projects over the years. With over a decade of experience in the blockchain industry, this firm has in-depth knowledge and the financial strength to support booming platforms like “Oviex.money.” After securing the necessary funding, Oviex.money can continue to help investors with the best crypto trading platform on the market.

Oviex’s primary goal is to empower investors by providing them complete access to blockchain financial services online. With its explosive growth in a few short years, this platform now holds over 4 billion dollars of crypto collateral in its DeFi economy. Quite an impressive achievement when compared with 275 million dollars collateral in early 2019. This noteworthy achievement goes to show the potential in the crypto market because of decentralized systems.
