Peter Moss BC Assets Management Scoops 2 Awards

Australia, Melbourne, Sep 30, 2021 (Issuewire.com**)** - BC Assets Management (HK) Ltd's Peter Moss was recognized with the top award in the Financial Service Industry in Asia. The Award for his excellence in customer service which was awarded to him for the second year in a row is one award every company wants to hold.

Peter was awarded the top honor of the year for earning the highest combined ratings for customer and employee experience among a field of leading firms across Asia. "Winning the most prestigious award for the second straight year is an incredible honor — not only for BC Assets Management (HK) Ltd's team but associates across every organization who support the world-class customer service we consistently provide," said Chief Operating Officer at BC Assets Management (HK) Ltd.

"We are very proud of every one of our associates for rising to the occasion during an unprecedented and challenging time as they continued to demonstrate the unwavering commitment to superior customer service financial professionals.''

In addition, Peter also swooped the Financial Industry award for achieving the highest FCR score in the Asian markets which is based on 50 percent or higher of employees rating their overall experience working in the financial sector as "very satisfied."

Peter has again demonstrated his commitment to providing a world-class customer experience. The very fact that Peter was able to repeat is remarkable, said BC Assets Management (HK) Ltd's Chief Operating Officer. ''Peter was quick to point out that all BC Assets Management (HK) Ltd associates are very deserving of this prestigious award. and will be shared by the whole team as we all deserve the recognition as a team.''
