

PettiKash takes on alter ego, KING KASH

New hip hop rap music.

Victoria, Melbourne, Sep 21, 2021 ([Issuewire.com](https://www.issuewire.com)) - Melbourne Rapper [PettiKash](#) is set to share his latest work, KING this October. Produced by LoopGoonz, KING is a rap song that possesses a laid-back yet BOSS approach with a Rick Ross feel.

The single will mark the rapper's 17th single release. PettiKash has been making a statement on the hip hop scene for a while now and this statement can only gain more validity with this new track.

The song is set for release on the 1st of October and will be available on Spotify, Apple Music i Tunes, Tidal, Deezer, and all other major streaming services. Pre Save will be available for Spotify and Apple Music users within the next few days.
