

PrintForm Makes Inc. 5000 List of America's Fastest Growing Companies

Georgia, Alpharetta, Sep 17, 2021 ([Issuewire.com](http://www.issuewire.com)) - Inc. magazine today revealed that PrintForm-Prototype to Production is No. 1054 on its annual Inc. 5000 list, the most prestigious ranking of the nation's fastest-growing private companies. The list represents a unique look at the most successful companies within the American economy's most dynamic segment—its independent small businesses. Intuit, Zappos, Under Armour, Microsoft, Patagonia, and many other well-known names gained their first national exposure as honorees on the [Inc. 5000](http://www.inc.com/inc5000).

“PrintForm is honored to receive this prestigious recognition from Inc. 5000. We dedicate this to our customers, partners and employees”, says Mallu Huralikoppi, Founder, CEO. “We are committed to building customer-centered partnerships and achieving 100% satisfaction throughout each step of the process.”

Not only have the companies on the 2021 Inc. 5000 been very competitive within their markets, but this year's list also proved especially resilient and flexible given 2020's unprecedented challenges. Among the 5,000, the average median three-year growth rate soared to 543 percent, and median revenue reached \$11.1 million. Together, those companies added more than 610,000 jobs over the past three years.

Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at <http://www.inc.com/inc5000>. The top 500 companies are featured in the September issue of Inc., which will be available on newsstands on August 20.

“The 2021 Inc. 5000 list feels like one of the most important rosters of companies ever compiled,” says Scott Omelianuk, editor-in-chief of Inc. “Building one of the fastest-growing companies in America in any year is a remarkable achievement. Building one in the crisis we've lived through is just plain amazing. This kind of accomplishment comes with hard work, smart pivots, great leadership, and the help of a whole lot of people.”

About PrintForm

PrintForm – Prototype to Production specializes in providing build-to-order custom manufactured plastic and metal parts to a variety of markets, including Medical, Aerospace & Defense, Automotive,

Appliances, Energy, Oil & Gas, and Consumer Products. From a single prototype up to many thousands of production parts, virtually any company designing new or improved products with plastic or metal components will benefit from the on-demand solutions PrintForm provides. As a single source for multiple manufacturing processes, PrintForm provides an expert-level service in transitioning customers through the design to manufacturing cycle. Services include both advanced [3D Printing](#)/additive manufacturing processes, along with more traditional methods like Silicone Molding, [CNC machining](#), [Sheet Metal](#), and [Injection molding](#).

More about Inc. and the Inc. 5000

Methodology

Companies on the 2021 Inc. 5000 are ranked according to percentage revenue growth from 2017 to 2020. To qualify, companies must have been founded and generating revenue by March 31, 2017. They must be U.S.-based, privately held, for-profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2020. (Since then, some on the list may have gone public or been acquired.) The minimum revenue required for 2017 is \$100,000; the minimum for 2020 is \$2 million. As always, Inc. reserves the right to decline applicants for subjective reasons. Growth rates used to determine company rankings were calculated to three decimal places. There was one tie on this year's Inc. 5000. Companies on the Inc. 500 are featured in Inc.'s September issue. They represent the top tier of the Inc. 5000, which can be found at <http://www.inc.com/inc5000>.

About Inc. Media

The world's most trusted business-media brand, Inc. offers entrepreneurs the knowledge, tools, connections, and community to build great companies. Its award-winning multi-platform content reaches more than 50 million people each month across a variety of channels including websites, newsletters, social media, podcasts, and print. Its prestigious Inc. 5000 list, produced every year since 1982, analyzes company data to recognize the fastest-growing privately held businesses in the United States. The global recognition that comes with inclusion in the 5000 gives the founders of the best businesses an opportunity to engage with an exclusive community of their peers and the credibility that helps them drive sales and recruit talent. The associated Inc. 5000 Vision Conference is part of a highly acclaimed portfolio of bespoke events produced by Inc. For more information, visit <http://www.inc.com>.
