

Rapper and Los Angeles HipHop Artist Crunch Paves the Way for the Best Contemporary Music

Upcoming rapper and Los Angeles hip hop artist is elevating the degree of the collective genre with his contemporary lyrical and production interpretation.

California, Los Angeles, Sep 24, 2021 ([Issuewire.com](https://www.issuewire.com)) - Crunch Infinite, popularly known by his stage name **Crunch** is the newest hip hop and rap artist in the scene ready to change its modern-day image. The artist is creating his way into the mainstream industry with a compelling production structure alongside the spontaneity and prowess of his lyrical verses. With his association with his home label, Crunch Time Ent, he is gliding more effortlessly into hip hop's scope and creating an identity for himself. His potential as a rapper can be seen in his song, '[Whip It Up](#)' which exchanges the best modern-day creative characteristics.

He is a [Los Angeles hip hop artist](#) whose soundscape is inspired by some of the biggest names of the music industry such as Stevie Wonder, Michael Jackson, James Brown, Prince, 50 Cent, Jay-Z, 2Pac, Dr. Dre, J-Cole, Kendrick Lamar, and more. His rapping is skillful and aims for the best output and a thematic closure. In his other song, '[Armed and Dangerous](#)', he talks about his lyrical spontaneity as his weapon that leads him towards realistic and literary victory. His other songs that are crucial to his independent sound are 'Lonely People', 'Twerk & Roll', 'West Coast Anthem', and 'Lethal'. These songs are featured in his latest album, Lethal thus expanding his technical and production capacity.

Hip hop artist **Crunch** is in preparations for a forthcoming concert at Whisky A Go Go in Hollywood California on Sunset Blvd. He was also a part of Tupac's music videos for the songs 'I Get Around', 'Keep Ya Head Up', and 'Holla If You Hear Me' and also his photo double in Poetic Justice. He is

building an extensive musical legacy for himself that will define modern hip hop in all the right ways. Enrich your scope of hip hop's understanding by following him on Soundcloud, [Instagram](#), [Twitter](#), [Facebook](#), and his official [website](#).
