

SA Tech Software India Pvt. Ltd Recognized by Great Place to Work® as One Among India's Best Workplaces™ for Women 2021

Maharashtra, Pune, Sep 29, 2021 (Issuewire.com) - SA Tech Software India Pvt. Ltd has been recognized by Great Place to Work® India among the Top 50 – India's Best Workplaces™ for Women 2021 (Mid-size Companies Category)! We strongly believe in equality among genders and vigorously implement equal opportunity and benefit at the workplace.

As a global authority on workplace culture, Great Place to Work® has been studying employee experience and people practices across organizations for over three decades. Every year, more than 10,000 organizations from over 60 countries partner with Great Place to Work® Institute for assessment, benchmarking, and planning of actions to strengthen their workplace culture.

In India, the research conducted by Great Place to Work® has focused on the state of trust in workplaces, what drives employee experience, and its impact on the business outcomes. The research reveals that there is a clear and direct relationship between employee engagement and financial performance and that the best workplaces consistently outperform major stock indices in India.

“One thing the Best Workplaces™ for Women have taught us is that irrespective of the challenges posed by the pandemic or even the industry they operate in – they are intentional about building a diverse, equitable, and inclusive environment. Voices of their women employees, the quality of inclusive practices, and actions taken towards equitable distribution of power within the organization is a testimony to that,” said Sandhya Ramesh, Head of the Diversity, Equity, and Inclusion Practice at Great Place to Work® India.

As an outcome of their study on India's Best Workplaces™ for Women 2021, Great Place to Work® India has released their research report that identifies what sets the Best Workplaces™ apart from the rest.
