

## Seasoned Musician BFunkN's Latest Funk-Infused RnB Musical Creations Uplift the Spirits of the Listeners

Rising R&B singer-songwriter from Ohio, BFunkN has formed a brilliant symphony intermingling R&B, funk, and hip hop elements in his soulful new collection.

**Cincinnati, Sep 15, 2021 ([Issuewire.com](https://www.issuewire.com))** - Seasoned singer-songwriter William Reed, better known as **BFunkN**, has brought a revolution in the R&B music scene with his unique approach and way of blending funk with it. His brilliant soundscape is an inspiration to the upcoming artist due to its mesmerizing resonance. He has just dropped a brand new number, '[Bringing Out the FUNK in ME](#)'

on major streaming platforms. The next track, **'MAKE ME SAY IT AGAIN GIRL'** is an acoustic wonder with his fresh new singing style and instrumental magnificence. The soothing yet exuberant resonance of the song separates it from the crowd. The groove melodic backdrop glides smoothly with his dynamic vocal performance.

The supremely talented and experienced music producer is bringing the funk back into the R&B genre. Born and bred in Cincinnati, Ohio, he had been an avid fan of the genre from a very young age. He was even a part of a band in his younger years. Some of his songs have been placed in a couple of independent movies as well. He combines elements from R&B, hip hop and funk in all of his compositions.

The aspiring musician **BFunkN** has established his very own production house Bfunkn and entertainment. His most recent creations, **'Bringing Out the FUNK in ME'** AND **'[MAKE ME SAY IT AGAIN GIRL](#)'** are turning heads in the contemporary music industry with its captivating resonance. The nostalgic acoustic brilliance of the track manages to penetrate the heart of the audience. Make sure to follow him on Spotify, [Facebook](#), and [Instagram](#) to stay updated about his music and future projects.
