

Sikh Wisdom: Free Q&A Platform Open To Everyone

United Kingdom, London, Sep 27, 2021 ([Issuewire.com](https://www.issuewire.com)) - On the 2nd of August 2021, Sikh Wisdom, a free Q&A platform for people to learn about Sikhi (Sikhism), was first launched. The platform allows users to ask any question about Sikhi which will be answered by Global Sikh Council (GSC) Scholars and anyone else who feels qualified. The objective is to help everyone, especially the Sikh community, learn about the message of the Bani enshrined in Sri Guru Granth Sahib Ji.

This platform is open to all communities worldwide who want to learn more about Sikhi. The intent is to make a positive impact through sharing knowledge and connecting with each other.

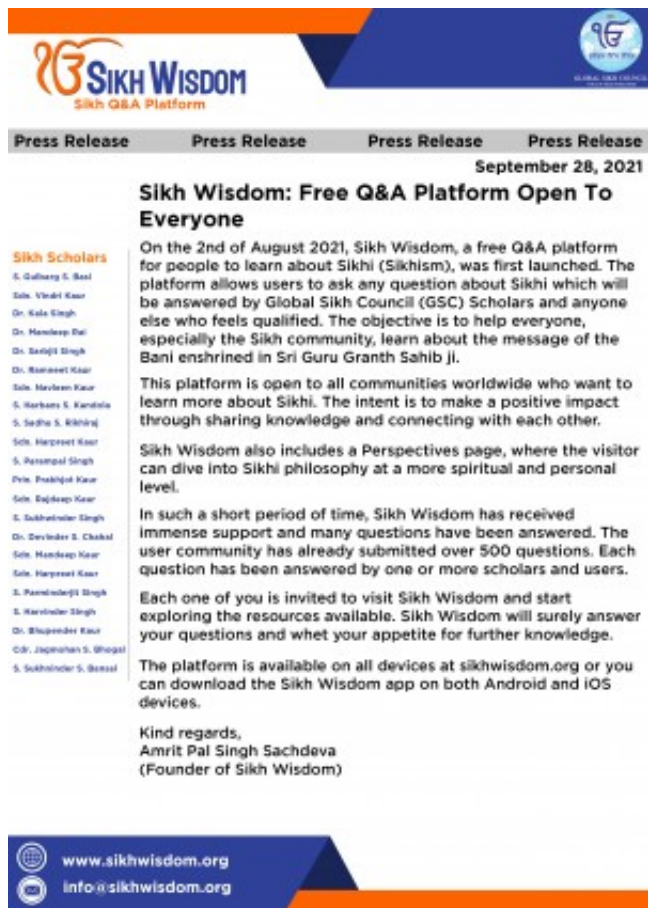

Sikh Wisdom also includes a Perspectives page, where the visitor can dive into Sikhi philosophy at a more spiritual and personal level.

In such a short period of time, Sikh Wisdom has received immense support and many questions have been answered. The user community has already submitted over 500 questions. Each question has been answered by one or more scholars and users.

Each one of you is invited to visit Sikh Wisdom and start exploring the resources available. Sikh Wisdom will surely answer your questions and whet your appetite for further knowledge.

The platform is available on all devices at sikhwisdom.org or you can download the Sikh Wisdom app on both Android and iOS devices.

Kind regards,
Amrit Pal Singh Sachdeva
(Founder of Sikh Wisdom)
