Maharashtra, Mumbai, Sep 15, 2021 ([Issuewire.com](https://www.issuewire.com)) - Taking the internet by storm the all-new throbbing Ganpati song “Ganpati Bappa Morya” is taking over everyone’s heart. This absolutely astounding song sung by the extremely talented Vardaan Singh is extremely worthy of all the praise it is deserving. The director Amit K Shiva was adamant about crafting it with sheer preeminence. This

project was very close to Photofit Music Company's heart. The journey of "Ganpati Bappa Morya" was filled with a lot of hurdles but as they say "No Glory No Story."

It all started with a sad demise and an utterly disturbing situation as Bhau's dear friend who was like a brother to him, Sidharth Shukla, recently passed away. It came as a shock to the world but especially to Bhau as they were so close to each other. But with the grace of Ganpati Bappa and with the cooperation of Photofit Music Company he overcame this emotional trauma and shot the whole song.

This upbeat devotional track will definitely turn up and enhance your festive excitement. The official video of the new Ganpati song 'Ganpati Bappa Morya' features Hindustani Bhau, a former participant of Big Boss 13. Photofit Music Company believed that Bhau would be perfectly suitable for the role and he pulled over his personality brilliantly adding his personal touch and inputs in this new Ganpati song.

The celebrity is well known for his dynamic personality, which is retained and depicted well in the video, by the proficiency of Mr. Amit K Shiva. Therefore the song has been shot skillfully retaining his personality with the zest of VFX. All the songs that have been released so far paying tribute to Lord Ganesh are more of live dance, but this time with a phenomenal vision for the song, the director Mr. Amit K Shiva planned a different perspective for the song, adding VFX elements.

This technical element is an integral part of the excellent output of the song. It has been headed with utmost passion and responsibility by Mr. Rajiv John Sauson, to give an out-of-the-world experience to the viewers.

This year's Ganesh Chaturthi Celebrations was even more exciting than the usual grandeur due to this vibrant Ganpati anthem 2021, 'Ganpati Bappa Morya' presented by Photofit Music Company. Our Hindustani Bhau has been celebrating Ganesh Utsav over the years and has been a sincere devotee of Lord Ganesh. With the blessings of Lord Ganesha this song has reached unbelievable heights and reigned over the heart of the audience. And as Mr. Suresh Bhanushali says this is just the beginning we have a long way to go!
