Ben's Soft Pretzels will now be served at Vala's Pumpkin Patch and Apple Orchard, Gretna, NE. Ben's Soft Pretzels is an Amish-inspired jumbo soft pretzel that is twice the size of your typical pretzel. Ben's is nearly a ½ pound pretzel topped with German imported pretzel salt. Ben's Soft Pretzels will be available at Farmer Jack's Pretzel Shack located within Vala's Pumpkin Patch. You will be able to enjoy fresh soft pretzels, dipping sauces, and Apple Cider Slushie Floats.

"We could not be more excited to serve our world-famous jumbo soft pretzels at Vala's. The Vala's family is amazing and the best of the best. They are the leader in the agri-tourism industry and we are honored to be there.", said Brian Krider, Co-Founder of Ben's Soft Pretzels. The new location will be open the entire season at Vala's.

Ben's will open several more locations this year in traditional locations like malls and other retail outlets and also some other non-traditional locations. Recently Ben's has introduced multiple mobile trailers and food truck pretzel bakeries and there are more to come. "The great thing about our system is the low cost of entry into any one of our models. From malls to the largest stadiums, Ben's is ready to continue its mantra of World Pretzel Domination. This is all part of our plan to rid the world of inferior pretzels", expressed Scott Jones, Co-Founder of Ben's Soft Pretzels.
