

Vancouver Rapper VCManny Making a Name in The Canadian Rap Scene

British Columbia, Vancouver, Sep 7, 2021 ([Issuewire.com](http://www.Issuewire.com)) - VCManny has been making a lot of noise this year connecting Vancouver and Toronto's music scene. On March 1st, 2021 vcmanny released a song "Movin' On" with rapper LB SPIFFY who made a name quick in the Toronto rap scene getting noticed by some big names like Kylie Jenner; who was seen jamming out to his songs on Instagram not once, but twice. Couple of months later vcmanny posted a picture on Instagram in the

studio with BeatsByBenji; who has worked with many big names like Tory Lanez, SouljaBoy, DDG, Northsidebenji, Killy, in which Toronto rapper Pressa actually comments on the post. A few weeks later on August 28th, vcmanny drops another hit song “Menace To Society” with Toronto rapper Top5(Hassan Ali) who has currently been on the run with pending murder charges. It is also rumoured that vcmanny has a song dropping in October 2021 with Road Runner; who is the best know for his song “From The Dirt” with 3MFrench.
