

Vebsiko® Hosting Start Offering Forever Free Web Hosting (Yes, Forever!)

Start Web Hosting over Speed Optimized Secure Cloud Platform. Explore to migrate now!

Delhi, New Delhi, Sep 15, 2021 ([Issuewire.com](https://www.issuewire.com)) - **Vebsiko® Hosting** is now the only Web Hosting provider that offers a forever free web hosting service. With the announcement, Vebsiko® Hosting invites anyone willing enough to start their digital journey with Vebsiko®. Recently, we released the

“Forever Free Hosting” which provides three different types of hosting: Free Cloud Hosting, Free WordPress Hosting, and Free WooCommerce Hosting. The introduction of the Free Forever Plans allows small businesses & E-commerce owners, startups, entrepreneurs, freelancers, nonprofits organizations, schools, and students to start their own online journey completely free. The free plan also allows anyone to try out the Vebsiko® Hosting so that they can use the premium experience forever free to decide if Vebsiko® Hosting is for them or not.

The Forever Free Hosting plans include:

- Free Cloud Hosting
- Free WordPress Hosting
- Free WooCommerce Hosting

“With Vebsiko® Hosting Free plans, I can experiment on my new projects. When projects get some traction and shift to their paid plans and enjoy what they have to offer. The freedom to get started with a new project without worrying about new hosting is liberating and welcomes creativity” -- Jason Verstappen, CEO, TechNPwr.

Free Cloud Hosting is the free forever plan for cloud hosting. The Forever Free plan consists of 1 domain, 1 subdomain, 1 domain alias, 300 MB disk space, and one email accounts. The plan also doesn't come with a dedicated IP. The plan is managed and you get a plethora of features along with the plan including:

- Free CDN
- Security
- Unlimited Traffic
- SEO Toolkit
- DNS Management
- FTP Access
- Clone WordPress websites
- Unlimited Bandwidth
- Free SSL
- WAF Management
- Free Email Account
- Speed Optimized Hosting

To know more about the features, check out the Cloud Hosting Plan features [here](#).

Free WordPress Hosting is aimed at those who want to use WordPress. It is a free plan which gives access to 1 domain, 1 subdomain, 1 domain alias, 300 MB disk space, 1 email account. With each of the WordPress plans (including the WordPress Free plan), you will get the following features:

- WordPress auto-install
- Unlimited traffic

- Unlimited bandwidth
- Free CDN
- Free SSL
- WAF Management
- WordPress Toolkit
- Git management
- FTP access
- Use Apache + Nginx
- Backup scheduling

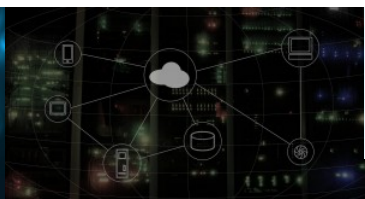

To know more about the features, check out the WordPress Hosting Plan features [here](#).

Free WooCommerce Hosting also includes the WooCommerce Free plan. It comes with 1 domain, 1 subdomain, 1 domain alias, 300MB disk space, and 1 email account. Just like other free plans, you also get access to extensive WooCommerce features including:

- Free SSL
- Unlimited Traffic and bandwidth
- WordPress auto-install with WooCommerce
- Backup Scheduling
- Security
- SEO toolkit
- Support
- FTP access
- Git management
- Activity & access logs
- WAF Management
