Get ready to listen to a new wave of Reggae and reggaeton music as Big Mountain has come up with a 20 song collection of their hit tunes collectively titled 'BEST OF BIG MOUNTAIN (2000-2020)'.

California, Ventura, Sep 28, 2021 (IssueWire.com) - Churning out the authentic essence of reggaeton along with crispy tropical beats, the **Big Mountain** band has come up with their latest musical offerings. The band has been trailblazing through the industry with nothing but the united effort

by each band member. Featuring musical clarity and good vibes, this band is an amalgamated essence of reggae, pop, and subtle indie grooves. The band is creating a bridge between the past and present with multiple old and new hit tracks.

The band has recreated two new versions of Peter Frampton's legendary track and released, '[**Baby I Love Your Way – Coffee House Version**](#)' which is creating a huge buzz in the industry. Similar invigorating vibes can be found in the other tracks like '[**Sweet Sensual Love – Latin Mix**](#)', '[**Reggae Got Soul – radio Version**](#)', '[**It's All Good Today – Radio Version**](#)', and many others. Quino has worked with the band and helped to create these masterpieces. Each of the tracks is an example of this musical group's dynamic musical representations. Captivating its listeners, the band has previously released many albums like, 'Perfect Summer', 'Live at the Belly Up', 'Blues Skies' and so on.

This American Reggae band is hailing from California and has created a new era of Californian reggae music. Mixed with pop-based elements and subtle improvisations, the band is providing listeners something new and unique.
