

Yung PT has teamed up with Dizzy Wright

Major collaboration

Texas, City of Dallas, Sep 17, 2021 ([Issuewire.com](https://www.issuewire.com)) - Musical artist Yung PT has collaborated with the legendary Dizzy Wright to release his new single titled "Offbrand ". We interviewed Yung PT earlier this week and he stated, "this song is already going viral". After accumulating 5 million streams independently and PT resigned to an independent label and has then begun to work with some other industries' biggest orders including Dizzy Wright. You can check this song out on Apple Music, Spotify ECT. To have produced the sound that is really bringing hip-hop back to its roots. Yung PT is currently

working on releasing his next new single titled “Backend”. He is releasing a music video for the single in two weeks so stay tuned this is a big year for Yung PT. Here is the link to “Offbrand” <https://open.spotify.com/track/6CBbVkgv5DW0rD6O69o73R>
