

Aman Industries Expands Industrial Shed Business Effectively

Industrial shed manufacturer from Faridabad expands business to include new range of products

Delhi, New Delhi, Oct 19, 2021 ([Issuewire.com](https://www.issuewire.com)) - With an increasing demand in sustainable infrastructure, Aman Industries has taken the mantle to drive forward India's innovation in the sector of manufacturing pre-engineered structures. With their innovative technology and manufacturing process, the manufacturers have succeeded in providing both business level and consumer-grade PEB sheds.

A recent overhaul in the company's range of [industrial sheds](#) brings new designs and options to the market, along with improved structural design and durability. The new and improved design also incorporates greater customization for businesses that want their industrial shed to be consistent with their branding model.

Aman Industries have also unveiled improved versions of a few other structures including their:

- Office Containers

- Security Cabins
- Bath Cabins
- Porta Cabins
- Bunk Beds Cabins

This comes along with additional services for clients including packing and unpacking of the structures when needed for easy transport of their portable and prefabricated industrial sheds from site to site.

According to Mr. Yogesh Dikshit, a senior manager in the firm, "The new direction Aman Industries is heading in is going to bloom a new age of prosperity and care for our clients. With our improved products and services, we hope to pave the way for other manufactures to also aspire to new standards and maintain a healthy competition".
