With iBiographer you can:

- Upload the documents
- Keep adding the chapters
- Upload the videos, pictures, and music
- Showcasing the places, print and make it a book and gift to your special someone.
- The online platform allows you to share on social media, invite and collaborate with your family and friends.
- Everything and more is FREE.

No More Boring Biographies

So when you say “Biography” instantly there is this boring another human being’s life snaps in front of our eyes. Biographies until a few years were only about historical figures, politicians, celebrities, famous people as well as influential people. However, the times have changed. It’s about what makes you happy you do it times. People these days have adopted everything that they like, they are attracted and love exploring more about it.

iBiographer allows you to connect yourself first and be who you are and write and make:

Family Tree - Adding members and their brief descriptions and linking them to the tree for quick access and sharing.

Baby Bio – Just like you keep your baby’s journal, recording the milestones this too will help you do it and save everything online. All your little munchkin’s activities, and milestones so that you can easily share with your friends and family.
