Hotaling Insurance Services (HIS), a full-service risk management family office, announced today that Bryan F. Hoyo has joined its Miami team as Vice President of Sales and Marketing.

Hoyo brings over two decades of industry experience, with a specialty in commercial property and casualty, to this new role where he will spearhead new business development initiatives and use his knowledge to expand into new market segments.

Not only is he a best-in-class producer, but he is also a quality individual whose personal and professional values align perfectly with our culture,” said Gabby Dieppa, Managing Partner of Hotaling Insurance Services Miami. “We are extremely excited to be part of Bryan’s journey and growth.”

“I’m ecstatic to take on this new role with Hotaling and look forward to utilizing all of the firm’s resources to expand and grow my business,” said Hoyo. “I’m honored to be surrounded by a team where every member is aware and conscious of the role they play in assisting their clients.”
